Coral Springs, FL 33065

Attn: Michael Jacobazzi, President

Dear Michael:

We are approaching the second anniversary of the re-roofing your firm did for our building, and I realize that I've never let you know how pleased we all were, and continue to be, with the work of RCU. Residents told me at the time how much they appreciated the professionalism and courtesies of your crew. And I appreciated the fact that we never received any complaints. Michael Levine was quite helpful in informing me in advance of tasks and scheduling.

Please do not hesitate to use our name/my name as a reference for any other Associations here in Wynmoor, or elsewhere in the area.

And please do send us your proposal, through Wynmoor Maintenance, for a service agreement to maintain our roof long-term. We would look forward to continuing the relationship.

Sincerely,

Tom Casey, President
