RE: Approved Contractor Status

To whom it may concern:

This is to advise that a Johns Manville Certified Roofing Contractor Agreement presently exists between Johns Manville Roofing Systems and *Roofing Concepts Unlimited*.

As such, *Roofing Concepts Unlimited* may purchase and install all Johns Manville roofing products. An installation would be eligible for issuance of our NDL (no dollar limit) guarantees if and when such installations are applied in accordance with approved Johns Manville details, specifications, all guarantee requirements are met and the installation has been inspected and approved by a Johns Manville Roofing Systems Representative.

If you have any questions please call me.

Respectfully,
Ray Arrigo
