Dear Mr. Jacobazzi,

We want you to know how much we appreciate the excellent job your people did in the replacement and restoration of the roofs on our six buildings. They know their jobs and worked hard. To finish such a large project ahead of schedule was a bonus to us.

Your project manager, Dave Whitley, was a pleasure to work with, an excellent communicator, and always addressed our concerns in a timely and courteous manner. The computer generated project progress report was very helpful in keeping our residents informed of the project status.

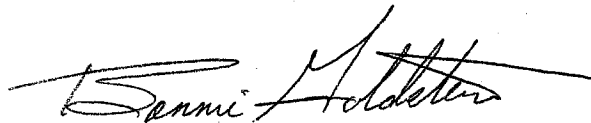

As we look to our future roofing needs, we hope to have a continuing relationship with RCU.

We wish you continued success.

Sincerely,

Mary Jane Christman
